Student Application

Thank you for your interest in enrolling your child at Saint Timothy Middle School. Saint Timothy has had a tradition of excellence in education since 1960. We invite you to become more familiar with our school as you investigate the academic choices for your child's very important middle school years.

THE APPLICATION IS COMPLETE WHEN ACCOMPANIED BY:

- A copy of your child's current school records, including the final report card, a writing sample in the student's handwriting, and any standardized testing (e.g., IOWA, Stanford, Mastery, etc.).**
- A release of records form is included with this application. Simply complete the form and send it to your child's current school.**
- A non-refundable application a fee of \$50 must accompany the application. Checks should be made payable to St. Timothy Middle School.**
- Applications must be filled out completely, including the parent and student responses.**

Upon receipt of the above items, you will be contacted to arrange for a personal interview with you and your child.

The academic program at Saint Timothy Middle School is a challenging one and admission is competitive. Students must be capable of keeping up with the academic demands, as we do not offer an adjusted curriculum. Extra-curricular and co-curricular activities in competitive and intramural sports, the arts, clubs and community outreach enhance the schedule. During their three years of middle school at STMS, our students deepen their understanding and practice of their Christian faith. Faculty and staff, as well as students and their families, commit themselves to the message of our school motto, Academic Excellence Through the Light of Faith. STMS students are well prepared to succeed at the high schools of their choice.

Financial Aid information is available online at www.psas.org. The login code is 2004.
