## **What is the Tiger Ball?**

**The Tiger Ball is the much-relied on, largest STMS fundraising event of the year. ALL proceeds generated from this great evening are put to work towards the operating costs of the school. Additionally, the income from this evening provides an opportunity for student scholarships. This event promises to be a fun, laid-back, community-filled evening. Please mark your calendars right now, rally your friends and family (ALL are welcome), and come have a fun night together while contributing to the spirit and prosperity of our school.**
